WELCOME TO SEAMONS

SEAMONS CYCLING CLUB was formed in 1948 as an offshoot of the Seamons Moss community centre in the Oldfield Brow area of Altrincham. The club quickly became a success and has grown steadily over the years to what it has become today; one of the biggest and most active cycling clubs in the North West. In 2008 we celebrated our Diamond Jubilee with a record membership and we're still growing.

We are proud of the fact that we are a 'proper' cycling club that caters for *all* cyclists whether your interest lies in Touring, Mountain Biking, Time Trialling, Road Racing or Track. In fact most of our members have a go at most, if not all, of these activities.

Locally we play an active part in the Trafford Cycling Forum to influence those decisions of interest to cyclists closer to home.

So far our success in racing has produced an Olympic pursuit rider, a British Best All- Rounder, a Commonwealth Games Silver Medallist plus three others who have finished in the top twelve of that competition. On three wheels we have seen two riders take the National BAR title, one of them also a Road Records Association, and Northern RRA Tricycle, tandem tricycle record holder and World Champions. In our Jubilee year we took all the major honours in the Manchester & District Time Trial Association with Seamons riders finishing in the top three places. Over the years we have been honoured to promote National Championships on three occasions for Cycling Time Trials.

Our club has a distinguished history, so when you wear Seamons CC colours we hope that it is with pride, and that you continue our proud traditions.

4 SEAMONS HISTORY

This article was first published in the Squirrel in April 1956. This abridgement was published in the August 1963 edition and re-published in Spring 2010.

The club was formed late in 1948, but the idea began some time previously. Bob Hill and Bob Richardson had been friends and keen cyclists for some time, when, in 1944, the army put a stop to Bob Hill's capers. By the time that he was demobbed there was a

small band of enthusiasts meeting outside the Richardson residence early each Sunday morning.

Members of that group were Bob Richardson, Bob Hill, Frank Acton, Pete Baguley, 'Mad' Walton, and Ken Glarvey. Then others joined them; Jack Food (two weeks in bed after his first ride), Ray Holmes, Reg Blease and Roy Davenport.

During this period the two Bobs became members of the newly formed Seamons Moss Community Centre, where they met up with Alan Spence and Geoff Robinson of Altrincham Ravens. So following discussions on cycling, the idea of a cycling club within the Centre was born. Geoff Robinson made the initial move by calling a meeting of those interested in October 1948. Alan Spence was elected chairman, and Bob Hill became first secretary.

The Club grew from strength to strength but also had conflicting opinions and ideas with the management committee of the Centre. The trouble came to a head twelve months later, and consequently the Club left the Centre as a body, and the Toc H Club Room became our temporary HQ.

It was at this time that all prize money, won during the season by the lads, was returned to the Club funds, and with a subscription from all members the "25" mile TT Trophy came into being. Ray Holmes was the first winner.

From the Toc H we moved to the Parish Rooms behind St Margaret's Church, where we stayed for some considerable time until the move in 1955 to the Civil Defence HQ. Of that group of founder members and first year members the only ones remaining in the Club are Bob Richardson, Bob Hill and "Irves" Irving. Also George Arstall and our president Dennis Chapman.

The remainder have either lost their enthusiasm or are now married and dare not come out on Sunday. Geoff Robinson is now settled in Canada, although he has been over twice. (He gave us an interesting movie show in May).

- The club welcomes everyone and will respect and treat them equally.
 - Members will ride with consideration for other members... Treat other members with the respect they would themselves expect...
 - Members observe and respect the Highway Code, treating other road users with the respect they themselves expect.
 - When you are wearing the club kit at any time you are representing the club and are responsible for its reputation.
 - The club can only exist and be successful through the commitment of its members. All members are expected to actively contribute to club life.
 - Seamons Cycling Club is not run to make a profit. Surplus funds will be allocated for the benefit of current and future members, or the development of cycling in general.
 - The club is managed by an elected committee that is accountable to members at all times. Members will elect their committee at the annual general meeting.
 - Committee members and others give their time willingly in relation to club activities. Apart from occasional agreed and necessary expenses, there will be no financial remuneration for any activity undertaken.
 - Members are expected to volunteer their services to at least one event on the Club Calendar. We now have over 200 members and would like to emphasise that, given the relatively low cost of club membership when compared with other sporting organisations, and the time spent by many members on providing activities from which all benefit, then every member volunteering support for at least one club activity per year is a reasonable expectation.

Reg Herbert 1930-2020

Reg was one of the first members of the club when it formed in 1948. He designed the very first club badge. He took up a teaching post in Welshpool, but always kept in touch with the club, joining Robin's Montgomery club weekend for a meal at the Dragon every December.

Reg was one of the club pioneers of touring abroad, and there are pictures in the club archive of his Pyrenees tour in the early 1950's. He raced at all distance up to 12 hours.

In spite of ill health recently he was determined to get to the club's 70th Dinner last year and travelled from Shropshire to Altrincham by taxi.

Summer Social

A fantastic Summer Social the last event organised by Maria Rothwell, Maria has been awarded the Reg Herbert trophy for all the hard work she's done as social secretary

Tour of Britain 2019 We had the honour of leading out the tour, with police escort through to Hale where we led a ride back to Altrincham for Trafford Council. Inset is Keith giving Cav a few racing tips. We got on the evening news too.

2019 Hill Climb and Freewheel Event on wet and windy hill Rufus Brunt winning both the HC and the Freewheel and Anna Brunt making a family affair winning the Ladies HC.

2018 Club Champions and trophies gathered for the 2019 70th Annual Dinner with Special Guest Andy Wilkinson attending as the winner of Seamons Open 25 winner..

Life members and special guest cutting the cake celebrating 70 years of the club and left is the late Jim Boydel who travelled especially to the diner whilst very ill, to talk to us about his time with the Seamons.

This summer we had to say goodbye to one of our Life members Jim Boydell.

Many of you will not remember Jim as he moved to Eastbourne with his wife a few years ago to be near his children and their families. He did, however make a big effort (as he was really unwell) to attend the club's 75th dinner in February when he entertained us with a brief history of the club.

Jim joined the club in the late 1950's when membership stood at about 30. Initially as he rode as a tourist but soon took up racing winning the Manchester area Wagstaff Award for the Best First Year Rider in 1960. He went on to hold every club time trial record from 10 miles to 12 hours (breaking many records several times). Probably his best ride was in 1965 when he won our local 12 hour event with an incredible ride of 263 miles, He finished 5th in the British Best All Rounder competition that year.

Jim in action in the 12 hour

As a club member he had no peers. He held many positions on our committee and was time trial secretary for many years. He promoted the National 10 mile time trial championship on behalf of the club and the District and promoted the MDDTA 100 mile time trial for many years. He also held the positions of club Chairman and club President .

Many will remember Jim not for his racing but for his advice and friendship (myself especially). RIP Jim.
