### Notes: -

**1 Affiliation (Third Party Insurance)**

All members who ride on the public highway must have Third Party insurance cover. To obtain basic insurance cover you are required to be a current member of BC (Ride, Silver or Gold), the LVRC, TLI Cycling, British Triathlon (Ultimate or Core) or Cycling UK. Evidence of membership should be provided when you first join and on renewal. You are required to maintain your Third Party insurance cover at all times.

**2 Membership**

Membership spans a calendar year. Any member that has not renewed their membership by the end of January is deemed to have resigned. Membership renewal (other than Social Members or Youth / Junior members) after this date, will be treated as a new application and will incur the appropriate joining fee.

**3 First Claim or Second Claim Membership?**

A cyclist may be a member of more than one club, but can only be a **first claim** member of one club. The member can only race under the name of their first claim club. All other memberships are **second claim**. Second claim members are not eligible for any club championships and, if age 18 or over, only accepted as members in certain circumstances at the discretion of the SCC Committee.

**4 Half-year Membership**

New members joining the club after the 30th June will be required to pay half of the annual subscription fee for that year, plus the full Joining fee. Where a new member joins after 30<sup>th</sup> September, the Membership Secretary has the discretion to waive the annual membership fee for the following year.

**5 Social Members**

Social members are defined as non-riding members who attend club nights on fewer than 12 occasions per year.

**6 Family Members**

All family members are obliged to provide proof of Third Party Insurance with either Cycling UK, BC, TLI Cycling or the BMCR, if they intend to participate in organized Club Rides.

Each family member's details should be completed on a separate form, which must then be submitted together.

**7 Payment by Standing Order**

Standing Order Payments should be set up to go out at the beginning of January (and immediately if joining for the first time) to:
